Each team member must take the lead on the development of at least 0.5 point of a game. So if you have a 1 point game you should have 2 people working on it sharing equal responsibility. Additionally, all members must have equal roles in the documentation and the video.

Complete the tables below describing the initial plan, and the end results. After this page is complete, each team member must comment on this post certifying their participation with the following sentence. "I have participated in this project and completed the work described above."

Programming Responsibilities/Roles

Team Member	Initial Plan	End Result
Team Member #1: Alex	Split blackjack, help with dungeon game once finished.	Same as initial
Team Member #2: Jackson	Dungeon game.	Same as initial
Team Member #3:Dylan	Dungeon game.	Same as initial
Team Member #4:Cole	Split blackjack, help with dungeon game once finished.	Same as initial

Documentation Responsibilities/Roles

Team Member	Initial Plan	End Result
Team Member #1:Alex	Will fill out the schedule every-time, table of contents, Brief Discussion, split flowchart.	Same as initial
Team Member #2:Jackson	Will fill out the schedule every-time, User Manual, split flowchart.	Same as initial

Team Member #3:Dylan	Will fill out the schedule every-time, Program Description for Developers, split flowchart.	Same as initial
Team Member #4:Cole	Will fill out the schedule every-time, Introduction, flyer, Conclusion and Recommendations, split flowchart.	Same as initial

Video Responsibilities/Roles

Team Member	Initial Plan	End Result
Team Member #1:Alex	Appear in pitch video, split script.	Same as initial
Team Member #2:Jackson	Appear in pitch video, split script.	Same as initial
Team Member #3:Dylan	Appear in pitch video, split script.	Same as initial
Team Member #4:Cole	Appear in pitch video, split script.	Same as initial

Alex- "I have participated in this project and completed the work described above."

Jackson- "I have participated in this project and completed the work described above."

Dylan- "I have participated in this project and completed the work described above."

Cole- "I have participated in this project and completed the work described above."
